

Residential Snow Removal Service by Allimow Lawnsapes LLC
Rates as low as \$6.75 per removal!! Reserve now, no payment until November 25th!

Thank you for your interest in snowplowing by Allimow Lawnsapes LLC. Return this order form as soon as possible to reserve snow removal service. An invoice will be sent, but payment is not due until November 25th. This pricing is for residents of zip codes; 49417 (Grand Haven), 49456 (Spring Lake), 49409 (Ferrysburg), 49441 (Norton Shores) and 49415 (Fruitport), whose driveways are less than 90 ft long. Please call for a free quotation, if your driveway is longer than 90 ft, you live outside of the zip codes listed or you need additional services, such as shoveling.

Snow will be removed within approximately one foot from edge of driveway, and within two feet of garage door and buildings or as close as can be accommodated by the equipment without undue risk of damage to your property. Driveway edges must be marked to reduce risk of lawn, landscape or sprinkler damage. If additional services area needed, such as entry or sidewalk shoveling, please contact us.

Snow will be plowed one time per day, after a single daily accumulation exceeds 1-1/2 inches, multiple days of accumulation exceed 1-1/2 inches or after significant drifting of snow. In 2006, individual snow fall or multiple accumulations in excess of one and one half inches (1-1/2") occurred twenty (20X) times. If more than 24 snow removals are required, you will be billed for and agree to pay for the additional snow removals. Allimow Lawnsapes may apply snow/ice melt products, in place of or in addition to plowing. A reasonable effort is made to remove frozen or slippery accumulation, but a "slip-free" surface is not guaranteed.
